

Your blood drive...

at our place

Donor Center Blood Drive Program

Think of it as a chance to host your own blood drive, without having to find room for donor beds or parking for a Bloodmobile. A Donor Center Blood Drive is a terrific option if your group simply doesn't have the resources to host a blood drive at your location. Instead, consider sponsoring your blood drive at your nearest TBC Donor Center.

Who may want to host a Donor Center Blood Drive

- Businesses - Particularly those with limited space, scheduling conflicts, or limited number of employee donors.
- Community Groups - Clubs, civic organizations, and other organizations that would like to host a community service event.
- Family & Friends - A memorial blood drive is an excellent way to pay tribute to a lost loved one.

How TBC partners with your group

- TBC will schedule your blood drive at one of our fourteen donor center locations.
- TBC will provide promotional materials to help advertise your blood drive.
- TBC will keep track of donations made in support of your blood drive.

Why a Donor Center Blood Drive may be perfect for you

- Your group wants to "give back" but holding an on-site blood drive is not feasible.
- Your group can be involved in a community service project.
- Your group will be eligible for enrollment in TBC's Group Blood Assurance Program.
- You will have more options when to hold a Donor Center Blood Drive.
- You can utilize the full-day of operating hours at the Donor Center.
- You can hold a one day or multiple day blood drive, based on what is best for you.
- You help maintain a stable community blood supply - which is good for us all.
